Hmm...
What'll I do?
No customers again today.
Siigh
This is the Japanese -style café, An.
~EMPTY~
It doesn't get many customers.
Proprietor: Senge Kazuno
There is one customer who comes in, though...
JINGLE
JINGLE
Kazuno,

One Turkish coffee, please.
For some reason, it's this Arabian prince.
-First Cup-
CLINK
Here you go.
Prince Ashraf Ali Malik
Kazuno, you're as lovely as always.
touch

You must become my wi—
WHACK!
!!
Critical Hit!!
WHAT ARE YOU DOING!?
Why, proposing, of course!
Ehe!
!!
I DECLINE!
I do love your strength of will!
♥
tremble
tremble

But,
It's an interesting woman who rejects a prince from one of the world's foremost oil producing nations.
I'd like to hear your reason.
My reason? You're self-serving, self-indulgent, and-
What's more, I have this cap—
Well, I'm just not interested!
MY PRINCE!!
YOU'RE HERE AGAIN!? CAN'T WE GO BACK TO YOUR COUNTRY YET!?
Ashraf's valet/tutor: Cedric Pendleton

I'M busy persuading Kazuno. Don't interrupt.
YOU MUSTN'T!! SHE'S NO GOOD!!
HOW SO?
"HOW SO?" he asks?
glorp

SHE MAKES COFFEE SO TERRIBLE IT COULD KILL YOU!
Kazuno's Turkish coffee
- Boiling like magma
- Has unidentified substances coming out of it.
Regular Turkish coffee
- Boiled using water
- You enjoy the foam and the coffee itself
- You can tell fortunes with the grounds left at the bottom
IT'S THE MOST UNACCOUNTABLY REVOLTING TURKISH COFFEE I'VE EVER ENCOUNTERED!!
ITS FOULNESS COULD LAY YOU OUT FOR THREE WHOLE DAYS!! AND IS IT EVEN COFFEE? OR IS IT POISON? IT TAKES A WITCH TO SERVE COFFEE LIKE THIS!!
DON'T BE FOOLED BY THE WITCH, MY PRINCE!!
I'M NOT FOOLING ANYONE, AND I'M NOT A WITCH!!

SORRY TO PUT YOU THROUGH THIS, KAZUNO.
I'm doing my best to take care of the shop till dad gets back, but...
IT'S FINE. LEAVE IT TO ME!
Maybe it's true that
the coffee I make is terrible, but...
Prince Ashraf.
Smile
GULP
!
Kazuno.
I didn't have to pretend like that.

bthfft
WHAT ARE YOU DOING, MY PRINCE!? SPIT IT OUT!!
No need. It's stimulating and delicious.
It's all right. You don't have to force yourself!!
I'm not forcing myself.
You have room for improvement, sure, but,
your enthusiasm also comes through.
Prince Ashraf..
And, on top of that,

It's extra delicious because it's filled with your love for me.
WHA?
MY PRINCE!!
This is why, Cedric, I won't be going home till I make Kazuno My Wife.
WHOA WHOA WHOA!
Ahh, I'm kind of worried about the future of this café.
I AM NOT!!
You're embarrassed again.
DON'T GO MAKING THINGS UP!! I MEAN, I'M NOT FILLING ANYTHING WITH LOVE!!
